25X1A9a

The major part of S/TF effort was devoted to intelligence support for formulation of the US position on the International Lists for the forthcoming CG and/or COCOM meeting. This required additional review, with other components of ORR, of the recommendations of the ED/EC Ad Hoc Subcommittee covering 303 items (Project 40.1984) for use of the CIA representatives in ED/EC and EDAC and a possible retreat position on 51 commodities.

S-E-C-R-E-T

Intelligence was presented to EDAC WG-I on eleven exceptions requests for shipment of strategic commodities to Poland, and on ten other exceptions and redefinition requests; a briefing paper was also prepared, with assistance from D/I, for use of the US Rolling Mill Team and WG-I. (S/TD)

Support was provided to DD/P in connection with their interest in a Singapore firm currently being tried for evasion of UK exchange control regulations; to OO regarding the current BFC investigation of the activities of a US Firm. (S/TD)

Intelligence support was provided to EDAC WG-II on 22 Administrative Action cases. (S/TD)

## 2. Plans

S/TD has been planning and preparing for some time to have its Current Trade Reference name cards microfilmed. The integration of the information has been completed and the actual microfilming of approximately 150,000 cards will begin on 4 February.

Division personnel are now working on preliminary proposals for the FY-59 research program.

## 3. Administration

S-E-C-R-E-T

4. Problems

Institution by FDD of a contract system for exploitation of foreign language publications in transportation has created a virtual cessation of all coverage of transportation in some of the European Satellites. This problem has been brought to the attention of St/I.

5. Recommendations

None.
